Help Build a Village!

2017 ROTARY CHRISTMAS TREE VILLAGE

Don't miss out on this popular opportunity for your business to be showcased during Christmas in Davidson this holiday season! The Rotary Club of Davidson is accepting orders NOW for Christmas trees that will be on the Davidson Town Green for display during the Christmas in Davidson 2017 celebration.

What a great way to get into the holiday spirit by sponsoring a tree, raising money for your favorite non-profit organization, and creating a festive team building activity for your company. You, or your chosen non-profit, may decorate your tree in any way you wish - be creative and have fun!

As we've done in the past, each business will partner with a non-profit organization of its choosing to compete in a contest. A non-profit may not be represented more than once. Where the same non-profit has been selected by more than one business sponsor, the first business sponsor submitting their order form will have priority.

Those visiting the village will be given the opportunity to vote on the tree or trees they like most. Each vote cost a dollar. Visitors to the village may cast as many votes as they wish, and we ask them to be as generous as possible, and they can vote for as many trees as they like. They will be limited only by their benevolence. So, not only will your business be featured in a positive light, but you will also be able to raise much needed funds for the non-profit organization of your choice. Your sponsored non-profit organization will receive a dollar for each vote cast for your tree. Additionally, the trees with the most votes will receive additional funding from the Rotary Club of Davidson at a special ceremony in January 2018. It is a fun, WIN - WIN scenario.

The Rotary Christmas Tree Village is arguably the most popular spot for attendees of Christmas in Davidson. So be sure to get on board now! Cost for your sponsorship is only \$250.

Please decorate the tree assigned, do not switch locations/signage.

- The Rotary Club of Davidson will provide signage for each business and associated non-profit organization featured in the Rotary Christmas Tree Village to ensure proper recognition and consistency throughout the village. Sorry, no other signage permitted.
- The Rotary Club of Davidson will provide all staffing at the event. You are welcome to visit and bring your family and friends, but we ask that you, nor your sponsored non-profit organization, station anyone at your tree during the event. If you wish to provide information about your non-profit organization, you may supply the Rotary Club of Davidson with brochures to be made available upon request. For an additional fee of \$25 the Rotary Club of Davidson will supply a flier box at your assigned tree for your brochures (max. document size for flier box is 8.5" x 11")
- Electrical power and spot lights will be provided.
